

## **AMC Seeks 2010 Air Force Marathon Participants**

Mr. Scott Black  
HQ AMC/A1SK  
Scott AFB IL

The 14th annual United States Air Force Marathon will be held 18 Sep 10, at Wright-Patterson AFB in Dayton, OH. Air Mobility Command will again sponsor an active duty team comprised of both male and female runners representing various age groups who compete in the full marathon. Team members will be selected based upon submitted AF Form 303. The completed forms should be submitted through your base Fitness Center by 23 Jul 10. Those selected will be notified by HQ AMC/A1S and placed on Permissive TDY for the marathon.

In addition to the official AMC competitive team, all others interested in competing in the Air Force Marathon are encouraged to do so at their own expense. Other events include a wheelchair division of the marathon (consisting of hand-cranked and push-rim divisions), half marathon, individual 10K, and 5K. The USAF Marathon, Half Marathon, and 10K are held on 18 Sept 10 and the 5K race is held on 17 Sept 10 at Wright State University.

Please visit the USAF Marathon website at [www.usafmarathon.com](http://www.usafmarathon.com) or your base Fitness Center for additional information.
