

Separating or Retiring Soon?

**The Arts & Crafts Center is your first stop
to recognizing your service in style!**

No matter your rank or the amount of years you've been active duty, your time in service deserves to be recognized and put on display for all to admire! At the Arts & Crafts Center, our professional staff strives to create shadowboxes and custom frames filled with military memorabilia to be as distinctive and individual as you are. Allowing time for a consultation with our staff to discuss options that best fit your needs & budget will ensure your finished project will be exactly what you wanted. The following are tips to keep in mind when planning your project:

- Gather any pins, ribbon racks, patches, certificates, coins, flag (3'x5'), etc. prior to coming in will determine the size and type of box or frame would best fit your needs.
- Have in mind what your budget will be. A typical 20"x24" shadowbox averages \$200 and a custom frame starts in the \$125-\$150 range.
- Pricing is based on the size and wood type or moulding style you choose. Our wood choices include walnut, oak, cherry, mahogany, maple, and sapele.
- Only high quality, real wood is used in our custom wood products, so please be aware variations do naturally occur in color and grain patterns.
- Standard boxes require a minimum of 3 weeks from the date all memorabilia is provided and deposit paid to completion. Specialty boxes/shapes require 6-8 weeks depending on the design. Plan to be available to discuss any design issues which may arise during construction.
- A 50% deposit is required on all orders and is non-refundable.
