MacDill AFB Military Child Education Program

Dear Military Parent,

Welcome to Tampa, FL; my name is Nelly Richards, School Liaison Officer (SLO) at MacDill AFB. I am your central point of contact between MacDill AFB and the local public school system. I am committed to making sure you are well informed about local education policies and procedures. I am here to help military families navigate school choice options; access educational information and resources; advocate for the educational needs of military students; identify and eliminate barriers to academic student success and provide support to families and students through transitions and changes that impact the education of military children. My services are open to active duty/retired military families serving in the Air Force, Army, Navy, Marines, Coast Guard, active Reserve and Mission Partners from other countries connected to MacDill Air Force Base. Choosing the right school for your child takes careful planning, research, and strategy. In Hillsborough County, several school options are offered, **attendance area, choice, magnet, career/technical, charter, virtual, and home schools.** Visit the Hillsborough County Public Schools (HCPS) website <http://www.sdhc.k12.fl.us/departments/95/hillsborough-choice-options/about/>

to find the school that best suits your child's needs.

Attendance Area School, is a school assignment based on the student's home address. Families do not need to complete an application for their children to attend or remain at their attendance area school. Parents need to contact the school for enrollment requirements. Go to <http://gis.sdhc.k12.fl.us/SchoolLocator/> to find your child's attendance area school. If you reside on base your designated area schools are [Tinker K-8 School](#), [Monroe Middle School](#) and [Robinson High School](#).

- Tinker K-8 School 813-840-2043
- Monroe Middle School 813-272-3020
- Robinson High School 813-272-3006

To find in-depth information about the school choices and magnet school options go to: <https://www.sdhc.k12.fl.us/departments/95/hillsborough-choice-options/about/>

Magnet Schools, are elementary, middle and high schools with theme-based curriculum offering innovative and rigorous academic instruction by specially trained teachers in smaller learning communities. Go to <http://www.sdhc.k12.fl.us/magnet/> to learn about magnet schools.

Career/Technical Schools, offer technical training leading to high wage/high skill jobs and to further post secondary education. Go to <http://www.sdhc.k12.fl.us/cte> to learn about career/tech programs in schools.
