Descriptions	FTAC provides a structured program to transition Airmen from a training mindset to a mission-oriented environment.	This course augments (but doesn't replace) information taught in Basic Training, Tech Training, FTAC and assists Airmen in understanding how to lead and follow.	This course augments (but doesn't replace) information taught in PME and helps bridge the gap between ALS and NCOA.	This course augments (but doesn't replace) information taught in other formal training venues. It is mandatory for all AMW SNCO selects and open to COCOM SNCO selects.	This course is designed to develop and enhance leadership qualities of our Joint Leaders. A joint mindset will provide members a distinct understanding of the Joint Op Environment.	This course will enhance one's knowledge of AF benefits, highlighted program requirements and processes. **Open to spouses**	This "Brown Bag" lunch is a deliberate mentoring event from CMSgt's to SNCO's covering a multitude of topics that affect the enlisted force.	DSD Dates are tentative Sup't 101 will target Senior Selects and Stratified MSgt's that could fill Sup't roles
