PLEASE: Observe red top pole rule when operating carts. "Red top poles are located in front of each green, carts must return to path before reaching the poles and remain on path until past the next teeing area". Practice 90-degree cart rule throughout the course. 6. If a ball lies in, or the players stance or line of play is interfered with, by a 15" hole, the ball may, without penalty, be lifted and placed at the nearest position to where it lay, no closer to the hole that avoids interference by the hole, whether on or off the putting green.
